

City of Needles

INSPECTION REQUESTED

When requesting an inspection, we will need to know the TYPE OF INSPECTION, and the STREET ADDRESS. Please fill out the following form to request an Inspection Time.

Otherwise when a date is specified the Inspector will arrange his own schedule for coming to your site. In a down economy gasoline can be a big factor so by making many inspections in a far location would be helpful for the City of Needles.

You can request an INSPECTION three ways (Phone, Fax, E-mail).

Place your phone call to (760) 326-5740 x 328 or Option 5, Fax this form to (760) 326-5008 or Email this form to ndlscod2@yahoo.com and ndlsadm@citlink.net by 9:00 p.m. the night before the Inspection Date request and it will be placed on the following days schedule.

Name _____
Address _____
Phone _____
E-mail _____

Please Place DATE for Inspection: _____

Please select a TIME Bracket for Inspection: _____

Please select TYPE of Inspection: _____
