NEEDLES, CALIFORNIA 92363

RULES AND REGULATIONS

1. Burial rights in cemetery lots may be purchased from an official of Needles Riverview Cemetery at the business office located on the cemetery grounds or at the Needles Administrative Offices, 817 Third Street, Needles. The terms of the sale are cash. Upon such payment in full, a certificate of ownership of burial rights, executed by a cemetery official, shall be issued to the purchaser. The Cemetery does not accept insurance consignments or promissory notes.

For those desiring to lock in burial costs before need, a payment plan is available for pre-need purchases including cemetery lot, opening and closing fee, and marker setting. A written contract will be prepared that requires a minimum down payment of \$100 per lot, a ten percent (10%) administrative fee, and no less than quarterly payments on the balance ending in one year. No burial may occur until the lot and other charges are paid in full. For those interested in this option, please feel free to discuss the particulars of the payment plan with our caring professional staff.

A cemetery lot may be held or reserved for a one-time ninety (90) day period; however, if payment in full is not made within that 90 days or a pre-need contract executed as provided above, the lot shall again become available for sale without any further notice being given to the party requesting the hold. The price of the lot purchase shall be the established fee that is in effect at the time payment is made in full or at the time a pre-need contract is executed, whichever occurs first.
