City Manager Patrick J. Martinez

MEMORANDUM

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: PATRICK J. MARTINEZ, CITY MANAGER

SUBJECT: WEEKLY MEMORANDUM

DATE: October 2, 2026

City Manager's Weekly Highlights

Emergency Response & Preparedness

- **Storm Response and Roadway Recovery Continue**, with City crews, San Bernardino County Public Works, Phillips Excavating, and regional partners continuing debris removal, shoulder stabilization, detour coordination, and roadway repairs following this week's heavy rainfall.
- **Sandbag Resources Remain Available for Residents**, with Needles Fire Station No. 32 serving as a local distribution point for free sandbags while supplies last.

Infrastructure & Community Investment

- **Sheriff/Council Chambers Monument Sign Installed**, completing a new civic campus improvement identifying the San Bernardino County Sheriff – Colorado River Station, Needles Police, and City Council Chambers.
- **River's Edge Golf Course Reopens for the 2026 Season**, following annual September overseeding and returning to full-time fall and winter operations.
- **Draft Active Transportation Plan Released for Public Review**, providing a long-term framework for improving walking, bicycling, safety, connectivity, and access while supporting future infrastructure investments and grant opportunities.

Community & Regional Engagement

- **2026 State of the City Set for October 7**, with Mayor Janet Jernigan highlighting the City's accomplishments, major investments, ongoing projects, and priorities for the future.
- **Needles Sunday Market Begins New Fall Hours October 4**, with the weekly market operating from **9:00 a.m. to 1:00 p.m. at Santa Fe Park**.
- **Assemblyman Jeff Gonzalez to Hold Community Office Hours at the Needles Sunday Market**, providing residents an opportunity to meet directly with their State Assembly representative, ask questions, and discuss issues important to the community.
- **Palo Verde Community College Welcomes New Superintendent/President**, with City representatives joining education and community partners in welcoming Dr. Estella Castillo-Garrison and recognizing continued growth at the Needles Education Center.

1. **Storm Response and Roadway Recovery:** Heavy rainfall earlier this week caused significant roadway and drainage impacts throughout the Needles area. **City crews and San Bernardino County Public Works responded across their respective roadway segments**, including portions of Needles Highway. Crews have continued debris removal, shoulder stabilization, equipment deployment, and detour coordination as repairs progress. **Needles Highway is currently anticipated to reopen by this weekend, subject to site conditions and the availability of repair materials.** The City sincerely thanks **San Bernardino County Public Works, Supervisor Dawn Rowe, Phillips Excavating, and City of Needles Public Works** for their quick response, coordination, and long hours this week. Their efforts have helped restore access, protect public safety, and move repairs forward as quickly as conditions allow.
2. **Sandbag Availability and Storm Preparedness:** Following this week's storm activity, the City reminds residents that **Needles Fire Station No. 32, 1113 E. Broadway Street, serves as a sandbag distribution location** through the San Bernardino County Fire Protection District. Sandbags are available **at no cost on a first-come, first-served basis while supplies last.** Residents are encouraged to prepare before future storm events and should not rely solely on emergency supplies once severe weather is underway. Additional storm preparedness information is available through the [San Bernardino County Fire Protection District website](#).
3. **State of the City – Final Community Reminder:** The City of Needles and the Needles Chamber of Commerce invite the community to the **2026 State of the City Address on Wednesday, October 7, at 6:00 p.m. at El Garces, 950 Front Street.** This year's theme is **Progress • Momentum • Possibility – Building Needles' Future Together.** Mayor Janet Jernigan will provide an update on the City's accomplishments, major investments, ongoing projects, and priorities for the future. The program will highlight the progress taking place throughout Needles, the momentum behind key City initiatives, and the opportunities ahead for the community. **Residents, businesses, community partners, and stakeholders are encouraged to attend and join us for this annual look at where Needles has been, where we are today, and where we are headed next.**
4. **Assemblyman Jeff Gonzalez Community Town Hall:** Assemblyman Jeff Gonzalez will return to Needles on **Thursday, October 15, 2026, from 5:30 p.m. to 6:30 p.m.** for a Community Town Hall at El Garces. The Town Hall will provide residents, businesses, and community partners an opportunity to hear directly from Assemblyman Gonzalez, ask questions, and discuss issues important to Needles and the surrounding region. Residents, businesses, and community stakeholders are encouraged to attend and participate.

5. **Draft Active Transportation Plan – Public Review and Comment:** The City of Needles has released its [Draft Active Transportation Plan](#) for public review and comment. The Plan provides a long-term roadmap for improving **walking, bicycling, safety, connectivity, and access** throughout the community and will help guide future infrastructure investments and grant opportunities. The Plan was developed with input from residents, community stakeholders, and partner agencies. The public is encouraged to review the draft and submit comments by **Thursday, October 29, 2026**. Feedback received during the public review period will help inform the final Plan and future active transportation priorities in Needles. More information, including the Draft Plan and public comment form, is available at needlesatp.com/provide-input.
6. **Sheriff/Council Chambers Monument Sign Installed:** The new monument sign at the Council Chambers was **installed this week**, replacing the former sign that had been removed due to vandalism and deterioration. The new sign identifies the **San Bernardino County Sheriff – Colorado River Station, Needles Police, and City Council Chambers** and includes masonry detailing that complements the surrounding civic campus, along with **solar lighting to illuminate the sign at night**. The approximately **\$30,000 investment** complements the County's **multi-million-dollar modernization of the Colorado River Station**, which represented the facility's first major upgrade in 35 years and strengthened its role as a regional law enforcement hub. The City sincerely appreciates **San Bernardino County Sheriff Shannon D. Dicus** for making this project possible and **Captain Jake Gault** for his local leadership, coordination, and continued partnership with the City of Needles.
7. **Clean Air Day – Fare-Free Transit on October 7:** In recognition of **Clean Air Day on Wednesday, October 7, 2026**, Needles Area Transit (NAT) and Needles Dial-a-Ride will offer **fare-free rides all day**. The promotion encourages residents to make just one trip by public transit as a way to reduce vehicle use, support cleaner air, and take advantage of an affordable transportation option. The City also reminds the community that **K-12 and Palo Verde Community College students ride NAT free year-round** with a valid student ID or class schedule. NAT currently provides three transportation options, including the deviated fixed route in Needles, Dial-a-Ride service, and the Fort Mohave/Bullhead shuttle on Tuesdays and Thursdays by prepaid reservation. More information, including routes and service details, is available at needlestransit.com.
8. **Community Clean-Up Day – October 24, 2026:** Staff is promoting the City's upcoming Community Clean-Up Day on Saturday, October 24, 2026, from 8:00 a.m. to 9:00 a.m. Volunteers will meet at the former Carl's Jr. parking lot, 2601 Needles Highway. The event is open to the public, and no registration is required. The City will provide work gloves, trash pickers, and trash bags. Participants are encouraged to bring water, wear closed-toe shoes, and come prepared for outdoor conditions. Staff will be on-site to coordinate volunteer check-in and cleanup activities, and Council is encouraged to help spread the word to residents, businesses, and community partners to boost participation.

For questions, contact Utilities Manager Rainie Torrance at (760) 326-5700 ext. 140.

9. **River's Edge Golf Course Opens for the 2026 Season:** River's Edge Golf Course reopened today, October 2, 2026, following its annual September overseeding and is now back to full-time hours and rates for the fall and winter season. Golfers are encouraged to get back out and enjoy the refreshed course conditions. Tee times may be booked by calling (760) 326-3931 or online at golfneedlesca.com. The City thanks **Director of Golf JJ Deleon and his team** for their work during the overseeding closure and looks forward to welcoming residents and visitors back to River's Edge.
10. **River Communities Coalition Fall Rummage Sale – October 2–3:** The River Communities Coalition is hosting its Fall Rummage Sale on **Friday and Saturday, October 2 and 3, from 7:00 a.m. to 3:00 p.m. at 117 North K Street in Needles**. The sale includes furniture, household items, clothing, tools and equipment, golf gear, children's items, artwork, seasonal items, and other donated goods. Proceeds from the event support the Coalition's community programs and its ongoing efforts to advance the River Communities Grocery Cooperative.
11. **Needles Sunday Market – New Fall Hours Begin October 4:** The Needles Sunday Market will begin its new fall hours this Sunday, operating from **9:00 a.m. to 1:00 p.m. at Santa Fe Park, 950 Front Street**. The weekly market features local vendors, makers, growers, food, produce, handmade goods, and other locally offered products. Interested vendors may contact Market Manager Patrick Lauterio at (760) 848-8289 or needlesfarmers@gmail.com.
12. **Palo Verde Community College (PVC) Welcome Reception:** The City of Needles joined PVC, representatives from the Needles Unified School District, and other community stakeholders this week in welcoming the College's new Superintendent/President, **Dr. Estella Castillo-Garrison**, during a reception at the Needles Education Center. Vice Mayor Ellen Campbell and Councilmember JoAnne Pogue attended on behalf of the City. In her remarks, Dr. Castillo-Garrison emphasized the importance of the Needles Education Center as part of the College as a whole and highlighted her commitment to serving students, strengthening workforce opportunities, and building partnerships throughout the community. The Needles Education Center continues to show significant growth, increasing from **33 students in Fall 2022 to 122 students in Fall 2026**. PVC also provides one of the most affordable higher education options in the region, with tuition at **\$49 per unit**, helping make college and workforce training more accessible to Needles residents. More information about the Needles Education Center, available programs, and enrollment opportunities can be found at paloverde.edu/needles.
13. **Palo Verde Community College Fall Blood Drive – October 7:** Vitalant will return to the **PVC Needles Center on Wednesday, October 7, 2026, from 10:00 a.m. to 2:00 p.m.** for its Fall Blood Drive. With blood donations in continued demand, **new and returning donors are encouraged to participate and help strengthen the regional blood supply**. A single blood donation can

help multiple patients and make an immediate difference for hospitals and families in need. Vitalant is also offering an October donor promotion in which participants may be eligible to **win one of two \$10,000 gift cards**. Appointments may be scheduled through [Vitalant's online registration link](#). For more information, visit [Vitalant.org](#) or call **877-25-VITAL**.

14. **50th Annual Fort Mojave Indian Days Parade:** As part of the **50th Annual Fort Mojave Indian Days**, the Fort Mojave Indian Tribe will hold its parade on **Saturday, October 17, 2026, at 10:00 a.m. on Downtown Broadway in Needles**. The community is encouraged to attend and support this important regional celebration of culture, heritage, and community. Parade applications are available, and for more information, interested participants may contact **Nichole Garcia at (760) 861-4213** or email fmitparade@fortmojave.com.
15. **Cruizin' the Century Route 66 Centennial Car Show:** The River Cruizers will host the **Cruizin' the Century Route 66 Centennial Car Show on Saturday, November 14, 2026, from 9:00 a.m. to 2:00 p.m.** along Front Street in front of El Garces. The show is open to **all years, makes, and models of cars, trucks, and motorcycles**, with a **\$20 vehicle entry fee** and registration available at the show. Activities will include show plaques, a 50/50 drawing, and T-shirt sales. For additional information, contact **Dave Hasenwinkle at (206) 947-0997** or **Danny Moran at (909) 226-7437**.
16. **Stay Connected with the City:** Residents are encouraged to use the [Needles Connect app](#) and the City's [Community Events Calendar](#) to stay informed about City news, alerts, meetings, events, job opportunities, recreation programs, service requests, utility resources, and other community information. Residents can also enable notifications in Needles Connect and subscribe to the Community Events Calendar for ongoing updates.

COMMUNITY EVENTS & OPPORTUNITIES

- **Assemblyman Jeff Gonzalez Community Office Hours – October 4:** Assemblyman Jeff Gonzalez will hold community office hours during the Needles Sunday Market at Santa Fe Park. The market will operate under its new fall hours from **9:00 a.m. to 1:00 p.m.** Residents will have an opportunity to meet with their State Assembly representative, ask questions, and discuss issues important to the community.
- **Palo Verde Community College – Needles Center College & Career Event – October 6:** PVC will host a College & Career Event on **Tuesday, October 6, 2026, from 10:00 a.m. to 2:00 p.m. at the Needles Center, 725 W. Broadway Street**. Attendees can connect with representatives from regional universities and local employers and learn about admissions, bachelor's degree programs, transfer opportunities, and local career pathways. Participating universities are expected to include **UC Irvine, Cal State San Bernardino, UNLV, Arizona State University, Southern Utah University, and Grand Canyon University**. For more information, contact the Needles Center at **(760) 326-5033** or Needles-Center@paloverde.edu.
- **Double Ten Day Flag-Raising Ceremony – October 10:** The City of Needles will continue its longstanding Double Ten Day tradition on **Saturday, October 10, 2026, at the historic Needles Courthouse**, marking the **53rd Needles**

flag-raising ceremony. The event recognizes the National Day of the Republic of China (Taiwan) and continues a local tradition dating back to 1972. Community members are encouraged to attend and take part in this longstanding cultural celebration.

- **Community Pride Recognition Awards – October 17:** The Needles Chamber of Commerce will host the **2026 Community Pride Recognition Awards on Saturday, October 17, at the Needles Elks Lodge.** More than 50 nominations have been received recognizing individuals, businesses, and organizations for their service and leadership in Needles. Tickets are **\$50 per person** and are available through the Needles Chamber of Commerce at **(760) 326-2050** or info@needleschamber.com.
- **Low-Cost Pet Licensing & Vaccination Clinic – October 24:** The Needles Animal Shelter, in partnership with PetSmart Veterinary Services and Dr. Joseph Velasco, will host a low-cost dog and cat licensing and vaccination clinic on **Saturday, October 24, 2026, from 9:30 a.m. to noon at 1662 Flip Mendez Parkway.** Affordable vaccinations and special City licensing rates will be available. Dogs must be on leashes, cats must be in carriers, and cash only will be accepted. For more information, contact the Needles Animal Shelter at **(760) 326-4952.**

2. PREPARED FOR THE NEXT STORM

SAND BAG TIPS

PROTECT YOUR HOME AND PROPERTY

PREPARE BEFORE THE STORM ARRIVES

Properly placed sandbags can help redirect water, mud and debris away from your home.

✓ DO:

Remove any debris from the areas where bags are to be placed.

Place the bags lengthwise and parallel to the direction of flow. Fill the low spots first before placing bags the full length of the area to be raised.

Place the sandbags to redirect water, mud or debris, not dam it.

Fold the open end of the bag under the filled portion. Place succeeding bags with the bottom of the bag tightly and partially overlapping the previous bag.

Offset adjacent rows or layers by one-half bag length to avoid continuous joints.

To eliminate voids and form a tight seal, compact and shape each bag by walking on it and continue the process as each layer is placed. This flattens the top of the bag and prevents slippage between succeeding layers.

Sandbags can best be used to help protect doorways if a waterproof layer like heavy plastic or waterproof canvas is placed behind them. If possible, tape it to the door frame. Stack the sandbags in a pyramid formation, following the above instructions, and wrap the plastic up and over the top. The waterproof protection is always essential for

✗ DO NOT:

Do NOT place sandbags directly against the outer wall of a building. Wet bags can create added pressure on the foundation.

Do NOT use sandbags to completely dam water flow.

Do NOT wait until a storm is approaching to prepare.

✓ CORRECT PLACEMENT

Staggered layers

Parallel to flow

Sandbags available at no cost to residents on a first-come, first-served basis while supplies last.

Sandbags available while supplies last.
